FACEMOS BUXAINAS BAILARINAS COS TAPÓNS DAS BOTELLAS

Necesitaremos:

- Tapóns de plástico de botellas
- Escarvadores de madeira
- Punzón, punta quente ou calquera instrumento para facer un pequeno burato.

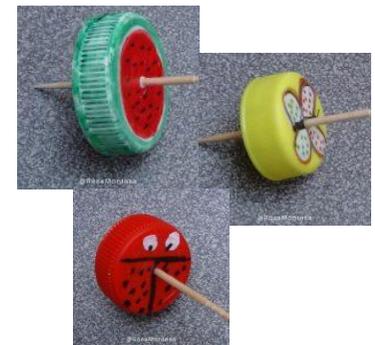

-Faremos un pequeno burato no centro da tapa e que se axuste ben ao escarvadores.

-Atravesaremos a tapa co escarvadores , e así a nosa buxaina xa estaría lista para xogar.

-Podemos decoralas con rotuladores para plástico.

- Cos dedos daremos voltas ao escarvadores para que a buxaina poida

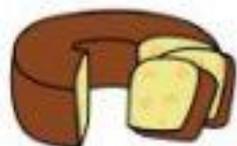

bailar.
